

EDBTA-3 Electronic ambient thermostats

Description :

Electronic ambient thermostat with selectors :

- on / off
- proportional 0-10V
- 3 speeds
- S/W: summer / winter

Characteristics :

Material : Self-extinguishing plastic container
 Colour : white
 Protection : IP 30
 Power consumption : 1W
 Sensor : RTD NTC10K
 Set-point : from +5 to + 30 ° C
 Operation temperature : 0 to + 40 ° C
 Power supply: 24/230 Vac \pm 10 %
 Outputs:
 - On / off relays SPDT 230 VAC 8A
 - Proportional 0-10 Vdc

Operating data and price list

* 393-433 equal to 383-433 with a display to see the temperature
 S : Summer - W : Winter
